

Wedding favours - making a difference on your special day

Donating to the NI Cancer Fund for Children (NICFC) is a unique way of thanking your guests for celebrating your wedding. It's the perfect finishing touch to your big day and is a meaningful wedding favour, which will contribute towards supporting children and young people living with cancer in NI.

As a keepsake of your donation, you can request individual place cards complete with a NICFC pin badge (optional). Our table cards and individual place cards are personalised with the Bride and Groom's name. All we ask is that you make a minimum suggested donation of £1.00 per guest.

Ordering your wedding favours

There are two NICFC wedding favour options available:

1. Table cards and Daisy lapel pins

We can supply NICFC daisy lapel pins for each guest and a maximum of three personalised table cards per table informing your guests of your kind donation to the NICFC.

Table cards are personalised, featuring the Bride and Groom's name and the date of your wedding.

2. Individual place cards

Individual place cards can be ordered for each guest with the daisy pin attached to the card.

A personalised message, including the Bride and Groom's name, will inform your guest of your kind donation to the NICFC.
